September

# Dear Partner,

In this newsletter we would like to show you our glass products.

We recommend for cosmetics, aromatherapy and medical products, perfumes, body mists or anything you can imagine!

These products, except the closures are made from 100% recyclable glass, so this could be the perfect choice for those who are committed to protecting the environment.

As always we are at your disposal with large stock and fast delivery time!

For more information contact our colleagues!
